Our campus student parking is a privilege. Along with the acceptance of the privilege come responsibilities. A student found to be driving on campus after having parking privileges revoked, is subject to having vehicle towed at owner's expense and being suspended.

1. Park at your own risk. NISH is not responsible for damaged or vandalized vehicles.
2. Inappropriate materials, possible gang insignias, obscenity will not be allowed on vehicles.
3. The Iberia Parish School Board policies pertaining to searches are in effect.
4. The student must provide copy of their driver's license to be placed on file in the NISH office.
5. This permit is only for the vehicle listed. This permit is not transferable to another vehicle or person.
6. Permits are displayed on the front windshield.
7. Violation of parking privileges may result in having the vehicle towed at owner's expense. Any discipline infractions involving vehicles will result in removal of parking permit and/or will result in the adjustment center.

I have read and agree to abide by these provisions.
